MEMBERSHIP-- in the End of Trail Researchers is open to all upon payment of five (5) dollars per year, six (6) dollars for a couple. Our calendar year begins March 1 and anyone joining later in the year will be entitled to all issues of "Oregon" issued in the year he or she joins. Seven-generation charts of the membership will be printed each issue. QUERIES are free to everyone, please follow directions on Lost Trail page. "Oregon" is published in APRIL, JULY, OCTOBER and JANUARY.

EXCHANGES-- We will exchange quarterlies and advertisements with other Genealogical, Historical, Patriotic and Family bulletins.

POLICY-- We print Oregon material ONLY (except for the membership seven-generation charts) and it is printed so you can 'lift' each of the series and place in separate folders for quicker reference, therefore the page numbers are run consecutively from bulletin to bulletin.

For Members ONLY we have covers printed with the covered wagon and the word "Oregon" for the various series we are running. The space on the back of the wagon is blank so title and author may be written in. These, including a back cover, may be picked up FREE at a meeting, or for 25 cents a piece by mail.

BOOKS FOR SALE by End of Trail Researchers

"Oregon Territory - 1850 Census" Over 300 pages in order of enumeration, plus index, offset print. We printed only 100 copies of these for sale. $10.00 postpaid.

"County Boundary Change Maps - Oregon 1843-1916" There are 25 maps showing the formation of Oregon counties and boundary changes thereafter and one map of Oregon today with its 36 counties and county seats. $2.50 postpaid.
We are starting our third year of publication, and very happy about all the nice comments we have received about our bulletin. So many people have sent in OREGON material, that we could print several years on just this. We wish to thank everyone who has helped with copying the records for "OREGON".

We had a bit of bad luck with Volume II issue 3, it was placed in the mail, but many didn't receive it. We reprinted and repainted, plus a good talk to the Post Office.

We are completely out of Volume I Issue I, we don't intend to reprint. All issues of the bulletin is in the Oregon State Library in Salem Oregon and Xerox copies can be obtained from them. Our bulletin is printed by one of the member who is a printer and holds down a full time job. Printing the new bulletins every quartely and two family bulletin keeps her busy.

A little about END OF TRAIL RESEARCHERS— We are a group of genealogist who wanted to see a publication strictly OREGON records. As we felt when ordering a bulletin in certain state, in hopes of getting records of this state and find that the records were from someplace else, was very discouraging. We also set up our society, to be a traveling society, if a small group of genealogist anywhere in the state wishes to have a meeting we will take our exchange bulletin, and genealogical books to them. We have found this the most rewarding. If this people in these area want they form in to branch groups of our society. They have their own officers and project and work seperately from the other groups. Usually they work toward getting book for their local public library. Our largest group is in Corvallis called Mid-Valley Genealogical Society with around 60 members. They meet the second Saturday of each month in the Elizabeth Ritchie Memorial Room in the Corvallis Public Library.

Also called Charlie Long Cemetery. It is located in Township 1, North Range 26 E of WM Section 13, on the right of the road; about 6 miles from the Barthelene home formerly known as Galloway, toward Lexington Hermiston Road.

This cemetery at one time contained the families of many of the pioneers of that section but a greedy farmer went into the area and tore up the stones with tractors and much of it is destroyed. There are only a few burials and stones left. Persons who know say that there were at least 86 persons buried there. I have been trying to seek out these persons but have found only a few who did not have stones. There are more. Those that I do know:

What in a Name

When copying 1850 census of Texas County Missouri I came across the family listed below, I couldn't hardly believe what I had read. I ask a friend to read it too, and she came up with the same thing that, I had. Then later I bought a printed book of this census and they had almost the same spelling that we had. This family is not in the 1860 census of Texas County.
