MEMBERSHIP-- in the End of Trail Researchers is open to all upon payment of five (5) dollars per year, six (6) dollars for a couple. Our calendar year begins March 1 and anyone joining later in the year will be entitled to all issues of "Oregon" issued in the year he or she joins. Seven-generation charts of the membership will be printed each issue. QUERIES are free to everyone, please follow directions on Lost Trail page. "Oregon" is published in APRIL, JULY, OCTOBER and JANUARY.

EXCHANGES-- We will exchange quarterlies and advertisements with other Genealogical, Historical, Patriotical and Family bulletins.

POLICY-- We print Oregon material ONLY (except for the membership seven-generation charts) and it is printed so you can 'lift' each of the series and place in separate folders for quicker reference, therefore the page numbers are run consecutively from bulletin to bulletin.

BOOKS FOR SALE by End of Trail Researchers

"Oregon Territory - 1850 Census" Over 300 pages in order of enumeration, plus index, offset print. We printed only 100 copies of these for sale. $10.00 postpaid.

"County Boundary Change Maps - Oregon 1843-1916" There are 25 maps showing the formation of Oregon counties and boundary changes thereafter and one map of Oregon today with its 36 counties and county seats. $2.50 postpaid.

"Washington County Oregon - 1860 Census" 30 pages in order of enumeration, fully indexed, offset print. We printed only 100 copies of these for sale. $5.00 postpaid.

For the numbering system we use, see opposite page under policy.

Be sure and read the Society Letter, as this has information on pedigree charts, and what the list of Soldiers Home is and how to use it.

Trail Talk happenings here in the northwest, new publication of members, and other Societies.
Dear Subscribers and Exchange Bulletins

Again the bulletin is late, it seems like something always come up so from now on the Spring Bulletin will be out between March 21 and June 21, Summer issue June 21 and Sept. 21, Fall issue Sept. 21 and Dec. 21, Winter issue between Dec. 21 and March 21. If you have not got your issue by the last date for the issues please let us know.

We do not send renewal notices, in issue no 4, there is a notice dues are due, please note this and if you want the next years issue send in you subscription then.

In this issue we again decided to send out to all subscribers 2 sets of Pedigree Charts. We are all out of charts to print. If you have sent in a chart that was not printed it was due to the ribbon being too light. Reread the direction sheet inclosed with charts, and resubmitt yours.

The index to the Soldiers Home in Roseburg Index: this facility was in operation from 1894 to 1933 by Oregon State. If a name appears that your are interested in send 50¢ and a self stamped envelope for a xerox copy, to Mrs. Erma Lee Brown 145 24th Street S. E. Salem Oregon 97301. Allow at least 2 weeks for delivery. See Volume 4 issue 1 for further information.

The next issue will have another facsimile of an Original document from the Oregon State Archives. Many people liked this feature.

I also have received more material on County records that we had to suspend for awhile.

Send in your queries—we can always use more. Send in at least four, one for each issue.

The Corvallis Public Library has bought two new books--The index to the 1850 Census of Ohio and the 1850 Index to the census of California.

In talking to member in this area about carrying exchange ads from other Societies, most was against as it took up area that could have actual records. We will have one page with Oregon material for sale by other societies.

SEE YOUR NEXT ISSUE WITH MORE OREGON MATERIAL

LAND
SUBDIVISIONS
and DESCRIPTIONS

TOWNSHIPS ARE NUMBERED
NORTH AND SOUTH OF THE
BASE LINE.
RANGES ARE NUMBERED EAST
AND WEST OF A PRINCIPAL
MERIDIAN.
THE DESIGNATED ABBREVIATION
WOULD READ, "TOWNSHIP 3 SOUTH, RANGE 45
EAST".
b. EACH TOWNSHIP IS 6 MILES SQUARE AND DIVIDED INTO 36 SECTIONS, EACH SECTION IS 1 MILE SQUARE.

c. ONE SECTION CONTAINS 640 ACRES WHICH CAN BE SUBDIVIDED INTO SMALLER TRACTS.

d. A SECTION CAN ALSO BE SUBDIVIDED INTO SIXTEEN 40 ACRE TRACTS WHICH CAN BE DESIGNATED BY CARDINAL DIRECTIONS.

e. A LEGAL DESCRIPTION OF THIS PARCEL OF 40 ACRES (BEGINNING WITH SMALLEST DESIGNATION) WILL READ: "SE\', NE\', SECTION 36 T. 3 S. R. 45 E."
GROUND DISTANCE CAN BE DETERMINED FROM A MAP BY THE MAP SCALE. SCALE IS THE RELATION BETWEEN DISTANCE ON THE MAP AND THE ACTUAL DISTANCE ON THE GROUND.

THE REPRESENTATIVE FRACTION OR RF EXPRESSED:
1:12,000 (or $\frac{1}{12,000}$) MEANS, 1 UNIT OF DISTANCE ON THE MAP EQUALS 12,000 OF THE SAME UNITS ON THE GROUND.

SCALE CAN BE EXPRESSED: 4" = 1 MILE, MEANING THAT FOUR INCHES ON THE MAP EQUALS ONE MILE ON THE GROUND.

### MAP SCALES AND EQUIVALENTS

PLANIMETRIC MAPS

PLANIMETRIC MAPS SHOW ONLY THE HORIZONTAL POSITIONS OF FEATURES SUCH AS WATER DRAINAGE, SURVEY DATA, ROADS AND PROMINENT LANDMARKS.

SCALE: 1" = 1 MILE
TOPOGRAPHIC MAPS

TOPOGRAPHIC MAPS (OR CONTOUR MAPS) SHOW IMAGINARY LINES ON THE SURFACE OF THE EARTH. ALL POINTS ALONG A CONTOUR LINE ARE AT THE SAME ELEVATION.
The azimuth of a line is its direction as given by the angle between true north (zero azimuth) and the line, measured in a clockwise direction. The indicated bearing would read "200 degrees true azimuth".

The compass is divided into four quadrants: NE (northeast), SE (southeast), SW (southwest), NW (northwest). The bearing of a line is indicated by the quadrant in which the line falls and the angle that the line makes in that quadrant with the north-south axis. S20°W would read: "south 20 degrees west" or "20 degrees west of the south bearing".

*Note: The addresses are placeholders and do not correspond to actual locations.*
Thirty-seven Oregon families, who still operate farms their ancestors settled a century or more ago, will be honored at a special program Friday, August 31, at the Oregon State Fair.

The program, cosponsored by the Oregon Department of Agriculture and the Oregon Historical Society in cooperation with the Oregon State Fair, is to be on the concert stage, starting at 11:30 a.m.

Owners of the farm dating back the greatest number of years are Claudio and Dolores Bustamante of Star Route, Box 10, St. Paul. The farm, which has 110 acres, is part of the 1,240-acre donation land claim settled by Augustin Raymond (the French spelling of his name was Remon) in 1840. The great grandfather of Mrs. Bustamante, Raymond was a French-Canadian fur trapper and came to Oregon in early 1830 with Dr. John McLaughlin.

Seventeen Oregon counties are represented by the Century Farms. Marion and Linn Counties are tied for the honor of having the most farms, with each having six. Coos County is second, with four farms. Joining the ranks of counties with Century Farms for the first time this year is Klamath County, which has one farm.
The Century Farm program was started in 1958 by the Oregon Department of Agriculture and the Oregon Historical Society. It was held yearly through 1960, then placed on a five-year basis, but this year is being held as a special feature of the Oregon Historical Society's hundredth anniversary observance.

Mrs. Jeanne Secord, who has printed the Grant County, marriages, Cemeteries, and a new book, taken from old newspaper articles. Has quite a few pictures. She has moved to Kimberly Idaho. When we get a complete address, we'll run a complete book review on her books, and there prices.

Mrs. Ruby Lacy of the Rogue Valley Genealogical Society and E.O.T.R., has copied the Jackson County Marriages from 1857 to 1877, and has them typed and almost indexed for printing. For a cover she has gotten a picture of the old courthouse at Jacksonville. Volume II is in the planning stages. So watch the next issue for further information.

1820 Goochland County Virginia 14pp Offset printed, Lavender Cover. In order of enumeration. Complete listing of age groups. Plus one blank census form to copy your own family on for quicker reference. Price $2.00 post paid

Skyles-Skiles Family Vital Records 5 Volumes of vital records on the Skyles-Skiles Families, which includes—Coat of Arms (which compiler thinks is questionable) List of Genealogical Books with Skiles-Skyles in them, list of Union soldiers, Pension from 1861 to 1934, Confederate Soldiers list, Miscellaneous, and Cemeteries, marriages, death, birth, church, census, and newspaper clipping from Alabama, Arizona, Arkansas, California, Colorado, Delaware, Georgia, Hawaii Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Maryland, and Missouri. The remaining States will be done in 5 volumes next year. Price for the set of 5 Volumes $20.00 All offset printed with different color covers

Listing of Genealogical Societies and Bulletins Ever wonder how many Genealogical Societies or Publications are being published? The compiler has kept a card file for several years, in hopes of printing a directory, with information on meeting dates, membership dues, rules and regulation of submitting queries, use of Society Library. This list is ever changing with new societies and bulletin coming on and some folding up. So has printed up a list of 250 Societies and publication, also listing the name of societies bulletins. Several has no address. Yellow cover 10 pp offset printed. Price $1.25 post paid.

Order all the three publication above from
